Subj: **BZV DATA SHIELD (PRIVACY PROTOCOL)****BEEZEE VISION, LLC™ OFFICE OF OPERATIONAL STANDARDS DOCUMENT**

1. THE BZV PRIVACY DOCTRINE Privacy is a core component of **Operational Security (OPSEC)**. BeeZee Vision, LLC™ (BZV) does not sell, lease, or monetize user data. We collect the absolute minimum information required to facilitate mission success and prevent scams or fraud from being perpetrated against our assets. Whether you are a general visitor or a high-level client, your data is handled with strict "Need-to-Know" discipline.

2. DATA COLLECTION & USAGE

- **Active Intake:** We collect names, emails, phone numbers, and project details voluntarily submitted via the **myBZV Portal** or our contact pages. This includes information submitted via social media; however, **BZV strongly discourages the submission of sensitive data via social media platforms.**
- **Technical Logs:** Minimal metadata (IP addresses, browser types) is used strictly for site optimization and to defend against malicious or nefarious activity.
- **Security & Reporting:** All data is housed on secure, encrypted servers and recordable media. We maintain a database of information provided voluntarily via any BZV Network resource. This information will be utilized to report statute violations, scams, fraud, harassment, or any other misuse of our network or assets, as stipulated in the **BZV Rules of Engagement (ROE).**

3. ZERO LIABILITY CLAUSE (FORCE MAJEURE) BeeZee Vision, LLC™ makes every reasonable effort to protect information through the use of deterrents, anti-malware safeguards, encryption, and other mitigating efforts. However, cyberattacks and social engineering are not static adversaries; they continue to evolve. **BZV assumes zero liability and claims no responsibility for any malicious attacks, data compromises, or breaches whatsoever occurring during the use of our network or in-person interactions.** Users are advised they are accessing the BZV Network at their own risk.

residents of the European Economic Area. In accordance with **Article 13 of the GDPR**, BZV provides enhanced transparency for our European partners.

- **Your Rights:** EU citizens have the right to access, rectify, or request the "permanent erasure" of their data.
- **Data Controllers:** J. Marcelo Baqueroalvarez and David R. Baquero Alvarez act as the primary Data Controllers for BZV.

SECURITY NOTE: The most effective way to prevent data compromise is through personal vigilance. We urge all users to remain aware of social engineering tactics and to refrain from submitting information to any database that does not clearly delineate the risks involved. Modern convenience is often a mask for unnecessary risk; prioritize your own security posture.

5. OFFICIAL REGULATION REFERENCE For a full briefing on your rights under European law, refer to the official **Regulation (EU) 2016/679 (GDPR)**. (*Note: Review of this regulation is not required for non-EU residents.*)
