Subj: **BZV TERMS OF USE (TOS)****BEEZEE VISION, LLC™ OFFICE OF OPERATIONAL STANDARDS DOCUMENT**

**1. INTELLECTUAL PROPERTY & BRAND SOVEREIGNTY** The BZV Network is a curated ecosystem of proprietary assets. All content — including but not limited to the **BeeZee Vision Archive** and **BZVweb™** professional development assets — is the sole intellectual property of **BeeZee Vision, LLC™**, J. Marcelo Baqueroalvarez, David R. Baquero Alvarez, and Samantha B. Baqueroalvarez.

- **Strategic Analysis:** The **Info In Context™ (IIC)** geopolitical and deep analysis division is the sole intellectual property of J. Marcelo Baqueroalvarez, licensed for use under BeeZee Vision, LLC™.
- **Creative Assets:** The **Half Life Crisis™ (HLC)** literary/visual assets and associated proprietary strategic frameworks are the sole intellectual property of J. Marcelo Baqueroalvarez and Samantha B. Baqueroalvarez, licensed for use under BeeZee Vision, LLC™.
- **Protection:** Unauthorized reproduction, distribution, or "derivative rebranding" of any asset within this network is strictly prohibited.

**2. PROHIBITION ON AI TRAINING & DATA SCRAPING** BZV assets are curated for human consumption and authorized mission use only. The use of any site content, imagery, or text for **AI model training, data scraping, or automated harvesting** without an express, written commercial license from BZV is a direct violation of our operational security and intellectual property rights.

**3. TRADEMARK NOTICE & BRAND INTEGRITY** **BeeZee Vision™, BZV™, myBZV™, BZVweb™, Info In Context™, and Half Life Crisis™** are protected marks. Unauthorized use of these marks to imply affiliation, endorsement, or partnership is prohibited. This protection extends to the **misuse, defacing, or unauthorized replication of BZV logos, iconography, and digital avatars**. Any breach will be met with immediate legal escalation.

**Distribute Protocol.** Operational transparency is a BZV standard. Retain a copy of this protocol for your records to ensure mission alignment.
